d. Project Management and Budget Ad-Hoc Committee/Recommendations (Dostart, Fisher, Merredew)

No report

e. Green Building Ad-Hoc Committee/Recommendations (Hau, Merredew)

Rose reported that a meeting has tentatively been set for 11/11. She also asked Gary to volunteer to join, which he did.

6. REGULAR AGENDA

a. Civic Center Design Input to Schematic Design Phase

The committee reviewed and discussed Schematic Design and direction from City Council. They described design intent for City Hall in the following terms: traditional, understated, elegant, timeless, reflecting town's residential character, attractive, not contemporary, "has been here a while", with the exterior emulating Town Hall, but with a modern, efficient interior.

7. PROJECT SCHEDULE

a. Review Project Schedule

With the renewed focus on Outreach, the CCAC decided to hold an event after Council's review of Schematic Design plans in January, in order to keep residents informed and to solicit their input prior to decision-making that the CCAC plans for February 2016.

b. Review next 60-days specific tasks

8. COMMITTEE & STAFF MEMBER COMMENTS

a. SFPUC Water Line – Current Status

Staff is verifying information from SFPUC, and has requested a proposal from WRNS for design.

9. ADJOURN

a. Adjourned to Special meeting on November 16 @ 4:00 pm.

Next meetings thereafter are scheduled for:
December 7, January 4
